

PREP PARENT NEWS

January 2020

Dear Parents

Many people get the “Christmas blues” this time of year, as the family festivities come to a close. We don’t need to let go of the anticipation and joy of Christmas. We can carry His message of salvation with us all year long as we remember that God came as a human baby, and God is with us through our every trial.

The great thing about having a friendship with God is that there is always the opportunity to start anew - God always offers us a new day and a new dawn, no matter what has gone before.

What are some ways you can personally keep this message alive throughout the New Year? Whether you’re into making New Year’s resolutions or not, the arrival of a new year is certainly a time of reflection for most of us.

New Year’s Family Prayer

(<https://www.loyolapress.com>)

“God, thank you for a new year. May everyone in our family be willing to begin anew with a clean slate. We know that you are always ready to forgive us. Help us to be willing to forgive ourselves and to forgive one another.

As we begin a new year, remind us of our truest values and our deepest desires. Help us to live in the goodness that comes from doing what you want us to do. Help us to put aside anxiety about the future and the past, so that we might live in peace with you now, one day at a time.”
Amen

WHAT YOUR CHILD IS LEARNING?

Since October, in addition to our Venture series, we have been studying the book of Numbers. The purpose of the book of Numbers is to tell about how Israel prepared to enter the promise land, but sinned and was punished. It describes Moses taking two population censuses, hence the name Numbers.
